Re: Bonding

Dear Mike:

This is to confirm that I have handled the bonding for McEnany Roofing, Inc. and McEnany Contracting, Inc. for the past eleven years. In that time, we have provided performance and payment bonds for projects up to \$9,000,000, and considered a maximum program of up to \$40 million. Projects exceeding these limits will be considered, and current underwriting requirements satisfy these limits.

We have bonded many jobs for your company, including schools, condominiums, townhomes, public office buildings, Disney projects, and many others. All jobs have been completed by your company with no problems, complaints or notices. It is a pleasure handing your bonds. The amount currently encumbered is approximately \$500,000.

Currently, and for the past eight years, your surety is Westfield Insurance Company. Westfield is rated A X by A.M. Best Company and is one of the top sureties in the insurance industry. McEnany is a preferred customer of Westfield Insurance Company.

Should McEnany be awarded contracts within the range above, we foresee no problems in providing performance and payment bonds, each in the amount of 100% of the contract amount, assuming contract terms satisfactory to McEnany and to Westfield. This is not a commitment to bond, as each contract and all terms and conditions must be reviewed and approved by Westfield Insurance Company and McEnany, evidence of financing must be acceptable to the surety, warranties for workmanship must be no greater than three years, and underwriting requirements of Westfield must continue to be met.

Should you need anything further, please contact my office.

Sincerely,

*Robert H. Bond*
